April 2020

COVID-19 Emergency Closure: All Library facilities were closed to the public beginning Saturday, March 14 until at least Friday, April 24, 2020.

Stay updated on the Emergency Closure, access important Department of Health web pages, and find statewide resource links at our [Health & Safety Update](#) page.

Thank you for Staying Home and Staying Connected!

Cheryl Heywood
Executive Director

Right now, when public health experts and public elected officials urge social distancing as a life-saving measure, libraries need to remain closed to the public to protect the lives of our communities, our patrons, and our library workers. We are keeping our online resources available and diligently working with vendors to increase those resources, stay informed via our website [TRL.org](#) and on social media.

*We are all in this together,
Cheryl!*

Stay Connected with Digital Resources while the libraries are closed. Checkout eBooks, audiobooks, streaming videos, digital magazines, and more available to you 24/7 with your valid Timberland Regional Library card & PIN.
