

Patron Notice - Lacey Timberland LIBRARY Renovation Update
Date: June 24, 2020

The Lacey Timberland LIBRARY, in partnership with the City of Lacey is excited to announce that the anticipated Fall 2020 Remodel has been rescheduled. This will allow us to complete planned construction work while all Timberland libraries remain closed to the public due to COVID-19.

Our renovation will begin mid-July and is expected to be completed by early October 2020. Improvements will include:

- Installation of a single-occupancy family restroom
- Replacement of all service desks with height adjustable stations to accommodate all patrons
- Creation of a check-in room to consolidate materials return and processing in one area
- New library layout to improve health and safety of staff and patrons in response to COVID-19

Book returns will be accepted at the Lacey Timberland LIBRARY beginning Tuesday, June 23, 2020.

Drive-up bookdrops will only be open Tuesday through Saturday from 1 to 5 p.m. The bookdrops will be locked outside of those hours.

Please note for returning library materials:

- Please place your materials directly in bins
- Do not hand materials to staff
- No bags, please place only library materials in the bins
- No donations are being accepted at this time

Due to impacts of construction on library staff and work areas, Library Takeout service for Lacey Timberland Library will be delayed. We intend to offer the new holds pick up service starting in mid to late July and will notify our community when a date has been determined.

Patron holds will remain at the Lacey Timberland Library unless individuals contact TRL to request their holds be transferred to the Olympia location (transfers may take several days due to limited courier service). Transfer requests can be made by emailing AskLib@trl.org or via the Live Chat feature on TRL.org Monday - Friday, 10:00 a.m. until 5:00 p.m.

Funding for this project was made possible by the City of Lacey, Timberland Regional Library, and through generous donations by the Friends of the Lacey Timberland Library and our community.

Reminders:

All Timberland Library facilities are closed to the public until further notice.

- no public access
- no meeting rooms
- no restrooms
- no computer use

Wi-Fi continues to be available at all library locations from 6 a.m to midnight daily.

Library Takeout information can be found at [TRL.org/takeout](https://www.trl.org/takeout)

Timberland Regional LIBRARY provides for the entertainment, information, and lifelong learning needs of Grays Harbor, Lewis, Mason, Pacific, and Thurston county residents at 27 community public libraries and six library service partner locations. The library system is funded mainly by local property taxes, timber tax, fundraising efforts of TRL Friends of the Library, and generous donations by individual supporters.

COVID-19 Closure: All Library facilities are **CLOSED** to public access until further notice. Library material due dates and holds have been extended. More information can be found on our [Health & Safety Update](#) page.

All Timberland library programs are free and open to the public. Anyone needing special accommodations to participate in a library's programs may contact the library one week in advance. For more information visit [TRL.org](https://www.trl.org)
