AARP Foundation Tax-Aide will offer free tax preparation in Thurston County this year with appointments beginning in February and ending in mid-April. We are preparing tax returns at libraries and senior centers this year, and welcome clients of all ages and income levels unless your return is outside the scope of our training. All our volunteers are IRS certified.

In most cases, your return will be prepared in one visit from start to finish unless you are missing important tax documents or identification.

We start taking appointments in mid-January for appointments starting February 1, 2023. There are three ways to make an appointment:

1. Call our appointment line at **360-474-3869** and leave a message.
2. Make an appointment on our website at <https://taxaidewa20.org/online/>
3. Walk in to one of our sites during open hours. We will accept Walk-ins if space is available, or we will schedule an appointment for a later date.
